## IOWA - AUGUST 2010

In June of 2009 my Executive, Jayme Tomlin, held an uplifting meeting for our Branch in Des Moines, Iowa, with Guest Speaker Carl Flowers giving a motivational talk. He asked if any of us had a dream we wanted to make reality and I shared how I wanted to take my husband on a fabulous trip to Alaska for a couple of weeks. Carl then used my dream to show a week-by-week breakdown example how much I would need to sell to save \$6,000 for this trip. Well, with his motivational words and my determination in mind, I took off from there and have proceeded to save more than enough money from my Celebrating Home business for my husband and me to take a trip to Alaska in July for two weeks!

I have sold \$2,000-plus for eight out of the last nine months and continue to have a busy schedule. This experience has given me confidence that I didn't know I had – and I have been selling for 18 years! I also have had four recruits in the past year and had not had any in my career up to that point. I attended Rally in Nashville for the first time in my career and I am attending Rally again this year!

I thank God for giving me this opportunity in my life and I will continue sharing it with others. Celebrating Home is a wonderful company and I'm so glad to be a part of it.
