PERU, IN - AUGUST 2010

Celebrating Home helped make my mother's Indiana wedding a dream. Mom has dreamed of remarrying for a long time and on May 1st of this year she found someone to share her life with. Our family was touched and helped by using Celebrating Home's gorgeous, high-quality florals and decor. My sister and I decorated her reception at our local community center with the Sunflower Mixed Bush, Lavender Hydrangea Mixed Bush, Blue Hydrangea Mixed Bush, Prestige Hanging Basket Stand and Westport Lantern. Dinner was served on pieces of the Veranda collection. Its ivory color was just perfect for her wedding decor!

My family was so glad that Celebrating Home was there for our wedding needs!
